“ To the family of Bill,

I had the honor of knowing your loved one through Cedar Haven as I cared for my dad on the same floor who also was a Bill. I appreciated how Bill would show kindness to my dad who passed away at CH at the age of 94. We had many interesting and lively chats indoors and outside. We had friendly clashes as to who was the better football team - the Vikings or the Eagles. What a joy to know your loved one. I pray that this will bring some comfort to your grieving hearts.

*Loved Bill,
