*I am so sorrowed by the loss of a husband, brother, father, uncle, friend, and so many more "titles." I will always remember growing up so close to ALL of you, and having great memories of how special I was treated. (We were family)! Frank was so generous to my Nan and Pop - always extending his hand to help my pop walk. He gave laughter and smiles to my Nan. Time doesn't change memories! :) I am so grateful to have known "all" of you and will hold a special place in my heart - forever! Frankie, you are an amazing woman - I am so sorry for your loss. Darlene, I know how much you and Frank loved each other. (Thank you for accepting me & treating me "like family.") I cherish SO MANY memories. May God surround all of you during this time of grief. Grief has no schedule - allow yourself all the time NEEDED. *I can just imagine the embrace Frank and Uncle Den are enjoying, together with Heather and Frank's son. What a beautiful celebration they must be having.*

“ Always will remember the stories Frank would tell me. I could have sat for hours just listening to him reminiscing. Darlene was really blessed to have such a love. I will always the great times we had working together. I am sure he will be telling stories to a crowd in Paradise. Heaven gained a gem.
