“ *My heart breaks knowing I wasn't able to get to know you the way others did. I was so excited to get to know you, but god said it was time for you to take a break. I've heard so many great things about you. The stories and memories are endless. I'm sorry that it was your time to go, before connections could be rebuilt, but just know, your daughter has done nothing but followed in your footsteps. Literally, her looks, attitude, career, etc... you were and will forever be her idol. Thank you Rick, for raising wonderful individuals and please continue to look after them. You better be waiting with a drink, when I arrive, cause we have so much catching up to do. Rest Easy Rick. You are loved and missed by so many..*

“ Rick you will always be in my heart and with me everyday. You are my soulmate and the love of my life you told me all the time how I made you feel like Nobody else did but the truth is I wouldn't be here today if it weren't for you. Emma and I will miss you every single day and I can't wait to be in your arms again. You have showed me true love and nobody will ever replace you. I would give my every breath if it meant you could have more until we meet again Your loving wife and daughter

“ Rick you will be missed more than you will ever know. I may have been your ex but I NEVER stopped loving you. We were married for over 25 amazing years. We raised 2 wonderful and respectful children. That was because of your influence. Your children are showing me how strong they are because of you. You were a good father to them. You showed them how to enjoy the outdoors: fishing, hunting, playing sports, or just enjoying nature. Your daughter is following in your footsteps by coaching her son. You will be missed and she will love you until the day I leave this earth and meet up with you again. I pray that you are at peace and happy now with your Mom. Love you forever and always Jackie

“ Well what to say there was so many memories we have made as a family together. I think the greatest memory I have is watching him love Emma and Bethany. We all went to St Maarten to celebrate Bethany 30th birthday we went snorkeling to see the sea turtles. He grew to love Bethany's obsession with pictures when Bethany would decorate his mouths for Christmas was a sight to see lol. He is missed terribly. Rick was a great Dad to Emma. She always loved their weekly Daddy/daughter dates. He would take her to get her nails done and take her to her to dinner mostly her favorite Chinese restaurant . That's the memories I pray she will carry in her heart. Rick was not perfect but he was a good man and a great Dad to Emma. You will be missed Rick our family will not be the same. Fly high my friend/ son in law. lol he hated when I called him that seeing that we are so close in age. Pray I see you again Rick
