“ So Sorry to hear of his passing! He was an inspiration to me to be a part of the PSSA organization and was sorry to hear he's gone. He did so much to help Snowmobiling in the State of PA.

“ I will always remember Lowell's servant heart. He was always willing to assist but never pushed himself on anyone or in any situation. I am very appreciative that he stepped up to serve as Executive Secretary of the Pa Vocational Agriculture Teachers during my tenure as President. His sense of humor and common sense advice made my year memorable and much less stressful. Lowell deserves a lot of the credit for helping us see the need for involvement in governmental relations as ag teachers. Thank you Lowell for your years of service to ag ed and for being a good friend and example who knew how to work hard and keep it fun. God's blessings to the family and I look forward to the reunion, Lowell.

“ I had the pleasure of meeting Mr. Morton in 1993 as I transferred schools to be apart of Annville Cleona and Little Dutchmen FFA. Many great memories as he took me under his wing and to help me grow. My prayers are with the family.

“ I have been teaching agriculture since 1985. Lowell was one of the "good ole' boys" that were always there to help out us "young girls" joining the profession. It was a real pleasure knowing Lowell. He is definitely in a better place. Michelle Miller, Biglerville High School Agriculture Department.

“ I began teaching Agriculture at Northern Lebanon in 1983 and whenever we would get together as county Agriculture Teachers, Lowell always had the best jokes. I learned a lot from his example of patience and from his years of experience and wisdom. Thank-you Lowell, God Bless.
