“ *I have so many memories of Gail and our huge Murphy family. She was beautiful inside and out. We only got to know each other briefly after we married and had children, also having 4 sons. Our last visit was many years ago and she was just as beautiful. I am sorry we did not meet again but she will be in our thoughts and prayers as her family will be. Love to all of you, God Bless, Steve & Mary Joan*

“ *We met when we were young mothers and our husbands were serving in the military. My husband was, at the time, stationed in Virginia. I lived in the mobile home park near Gail and Chuck's home and we both had young little boys. I was lonely, no car, no way to go to the store, or just to get away until my husband could get a 3 day pass to come home. So I walked over to her home, knocked on her door and said, "hi, my name is Linda and I am your neighbor and I think we should be friends". And so we were, for many years. She would babysit my boys and she was able to urge and witness my chubby little boy to walk his first steps. My sincere condolences to Chuck, their boys, and grandchildren and Gail's family.*

“ I’m so very sorry for your loss of Gail. I worked with her at Indiantown Gap and later at the VA Medical Center. Gail had such a kind, caring and loving soul. Gail helped me at numerous times in my life and always cared for me like I was one of her own children. I was always extremely grateful for her kindness, help and love. My heart and prayers reach out to you in her loss. Xoxoxo
Sincerely,
Beth Fitzwater

“ Where to begin . She was one of the most beautiful people I have ever known in my life. She always had that million dollar smile and I’ve never seen a baby that she could not rock to sleep. She lovingly called me Treesa 😊 The love that she had to share was never ending . I will remember her with a smile on my face for the rest of my days....
