“ I have wonderful memories of Gary, the two of us having lunch together at Heiseys Diner, his favorite eating place at the time. We always had sincere conversations and he was funny at times. I shall miss seeing him out and about and seeing his smile. God had a plan for you that you could not have seen. RIP

“ Dear Bowman Family, I was so saddened to learn of the untimely death of Gary. I was fortunate to meet him at the reunion last year. As some of you may know, my world changed on Sunday, November 27. My father was in a tragic automobile accident and was killed. Fortunately, a good friend of mine and neighbor, Karen Lee, was there for me. I hope I can be of some small comfort to her in the days ahead. Please know that I am thinking about all of you and that I am praying that God lifts the burden of your heavy heart and that the days ahead are made a little easier by knowing others care so very much about you. I hope to see you again sometime.
