“ *To all George's family: At one time, we were neighbors, and his girls would baby-sit our children. Years later, he was always so affectionate and loving. He gave all to his family and those he knew. What an example to all of us. I can't get to the funeral, as we have moved to CT. I will be there in person!*

“ I grew up with the Harris family spending many nights at their house. They were my second family. George and Anna Mae were wonderful, kind, loving people that I had the privilege of knowing and were such a positive influence on my life. They are now together again. George was a pleasure to be around, always smiling and loving. He will be missed by all who were lucky enough to know him.

“ I have known this wonderful man for a lifetime. Daughter Kim graduated with me and daughter Wendy graduated with my older sisters. One thing I grew to know was how George loved his family unconditionally. George also loved his families friends unconditionally. This man was loved by everyone. I believe anyone that came in contact with him instantly fell in love. His demeanor was above all. His kindness was like no other. This family has lost an angel. But heaven, sure has gained one. I will miss his hugs and kisses. His smile. His caring personality. God please take care of George and wrap your arms around his family as they go thru such a difficult time in their lives. He will me missed. Love you George Harris. Miss you already
