“ We were honored to not only enjoy Georgette as a wonderful friend, but also a good and very loyal patient. Her generous yearly donations to our annual golf benefit tournament and silent auction had great value . We think of her often and pray for her family.

“ I'm sad to say that I lost a person that I have adored and cherished for a very long time. I'm happy to have gained another angel to watch over us. Your kindness knows no bounds and your love has been touched by all. I will surely miss your smile, but I will see it in those that survive you. They are very much part of my family. I love yuns all. By Georgee.

“ I loved this fine lady like family and was so saddened to read of her passing. I regret I had not gone in to visit her in a few months, but I cherished her friendship and how special she always made me (and my husband!) feel. All the lovely jewelry we purchased from her is now even more special to me--especially the last piece my husband gave me--a ring that Georgette wore herself for many years. Rest in peace, Georgette. My deepest sympathy to all of her family.
