“ I have many memories with Gerry. We were close friends all the way through high school. We spend many days at the Mitchel Manor Swim Club and I must have slept over at the Banner's 100 times over the years. I'll never forget the time that Kent gave his mom a monkey for her birthday. Also, I still have a letter that he sent me from Korea. Also, his oldest uncle know as Pope (Kays brother) and my grandfather Harvey Edgar were good friend as well. I regret that we did not stay in touch. David Hay
