“ *GLENN FELTY was always the kindest Uncle, unfailingly cheerful and friendly just very pleasant to be around. A sense of humor also. I recall when he was working on a job installing floors he was singing hymns while he was doing it. I can't help but recall days fishing and hunting and family BBQ's. My dad and uncle Glenn were fishing partners for many years. I especially remember the times when Glenn was a guest speaker at our church and he was a most excellent and knowledgeable Bible teacher. Our branch of the family offers our prayers and thoughts of comfort to the family at the loss of such a wonderful father and grandfather and we also look forward to meeting him again in a better world.* ”
