“ Greg was one of Brian's best friends at Hershey on the Kiss line. I met him through Brian and I am so glad I did. He was a really good guy who didn't care who you were, he made you feel like family. When you were around Greg, he was so funny and kind and always acted like you were the only one in the room. He will certainly be missed. And we will all look out for Jill. He adored her. Certainly was one of a kind. Brian and Cindy Neely

“ I am so sad about the passing of a friend and coworker, Greg. My sympathies to Jill and all of his family . He is no longer suffering and is in the Lord's comfort and care . I am disappointed I couldn't come to his service . I will miss him and his joking personality. R.I.P Greg

“ It takes a lot of commitment to represent the interests of coworkers. Greg was an iconic Union Representative for years and took it very seriously. He cared so deeply about Jill and his family. His eyes always lit up talking about his grandchildren and sharing pictures of them. I was so sorry to hear about the loss of him to all his family. Greg is on a road with no boundaries now!

We were friends since we were 3 or 4 years old and living in Union Deposit. We started school together at South Hanover Elem. After your family moved to Hummelstown, we drifted apart but reunited on Facebook. So glad for that and able to talk to each other. Rest well my friend.
