“ I will miss Greg, and my condolences go out to his family. I was a friend of Greg’s while attending LCA with him. After he got his license, he often drove Jim Schaeffer and me to school, which was always fun. I enjoyed cruising the circuit in Lebanon on Saturday nights with Greg, and learned a lot working for him on Saturdays at his toy shop at Green Dragon Farmers Market while I was attending college. I still have many Burago Italian sports car metal models and Ertl tractor models that I bought at his shop while working there. I was always impressed with how many people Greg knew there, and how much they looked forward to seeing him and talking to him. I had never truly appreciated the PA Farm Show until I went with Greg! I also had no idea how great potato donuts were before that trip, and Greg, Jim and I ate probably way too many of them while sitting in the bleachers watching the animal judging that day. Although I moved away from PA three decades ago and have rarely seen Greg since, I thank God that He made it possible for me to visit with Greg Thanksgiving weekend last year. We had a really great time talking about family and God and how much had happened since we last saw each other. I never would have thought that that might be the last time we would visit. I’m so glad that we did. May God bless and comfort his family. --Scott Strong
