“ So sorry to hear about Dean passing, I just meet dean at the Penn State Cardiac Rehab Center in June of this year we would talk about his many activities, hunting camp, working with his son, at the response bldg., farm stand in Palmyra Bell grove Road, ambulance rescue work, etc. All of the conversations were done during our exercising routines. I will miss Dean very much, with my deepest sympathy. Bill Pharmer.

“ A few weeks ago we drove up to Annville to visit with Mark. We were so fortunate to see Dean, Joan, and Butch on that visit. It was like old times. We are so thankful that we made that trip from Virginia. We will miss him but know that he is happy in heaven fixing and building things to show us when we get there.
