“ I too have good memories of Leebo. Meeting him with his cousin Jimmy at the Thunderbird in 1976, his boat and his dog. also I remember them running through BWI Airport to see me off on a cruise while Lee had a gun in his pocket. OMG! What a great and generous guy and will not be forgotten.

“ I have fond memories of Lee as a young boy walking his St. Barnard dog down Poles Road to visit his Aunt Doris, Uncle Ed, his cousins Mark, Jimmy and Tootie. I lived next door to Doris and Ed and always got a kick out of that big fluffy dog leading Lee down the road. One day as I was out weeding the front garden patch, I felt this huge paw on my shoulder. I turned around and there he was just as sweet as can be. Lee got a big laugh out of my expression of surprise. While Lee's earth journey is over his spiritual journey will continue and he will be present to all those who loved and knew him. My sincere condolences to the family.
