“ I was just thinking of him and telling the best story he every told when I worked at mt. Springs. The red horse had to go to Germany for training. Well they wanted to explore some of the houses there the ones with women. Not Harry of course the single guys. But they needed a credit card and Harry was the only one who had one. So he said so long as you pay me back immediately never thinking his wife would get a 3000.00 bill for the candy shop!!!!
