“ Nanny you were an amazing woman. A heart of gold. The best grandma anyone could ever ask for. You were always there for me with everything. I am going to miss the wonderful breakfasts you always made me in the mornings when I would sleepover. The mini golf trips in the summertime and getting ice cream afterwards. You cared so much for other people and loved Papa so much, your love for him was irreplaceable. I miss you so much already, but I will see you again someday. I love you.
