“ I see your Mom all the time when I go to Walmart it's bittersweet but it's more sweet. I get glimpses of when we were younger getting into God knows what and walking in your house and your Mom and Dad being there. Those are the memories that I'm going to hold near and dear in my heart ❤️ Missing you Beautiful!

“ Just got home from saying my final "goodbye", your parents found and used on the memory board the same exact picture I gave to them tonight. The fact that your mom told me they found it in your apartment, can't even describe how that made me feel. REST IN PEACE HEATHER, always a great friend you will be remembered
