“ *My heart goes out to my mom and dad. I'm so sorry for the loss of Heidi. I wish there was more I could say or do. I know this is going to be hard for both of you and I hope you both know I'm here for both of you night or day no matter what. My memories of Heidi are on her birthday last year she was having a good old time and I was sent in to cover her eyes to surprise her with the arrival of her two sisters. I also remember giving her a nice set of earrings and a bracelet. Sadly the bracket broke but Heidi was so grateful for that, that she didn't care. She was still very happy and appreciated the thought behind the gift. You will be greatly missed Heidi. I hope heaven is everything you hoped for.*

*I am so sorry for the loss of your mom...  
We know that it is not goodbye but see you  
later. I was sad to hear about her sickness  
and then the call for family to come. I liked to  
send random cards to her, she never knew what she was getting  
when she opened the envelope.*

*I can't imagine the loss of a parent, but loss hurts. Love is the best  
and so we hurt when they are gone. Know that I am praying for you  
and AmyJo and the entire family. Alot of firsts without her but Our  
God is an Awesome God and day by day He will see you all thru.  
Lean on your Faith and each other. Know that I love you guys and  
will help if I can. ❤️*
