“ *Helen was truly a lifelong friend, as was your dad. She, without fail, sent lovely cards to me each Christmas and Easter and birthday every year since 1970. I kept them all, and photos, and post cards from their travels. I was blessed to have them in my life and will keep their memory in my heart. I am so glad I got to talk to her by phone this Easter. Sincere condolences to you and family. Brenda DeJoice*
