“ Our sincerest sympathy to Connie and whole family. Harem will be missed especially by his telephone calls to Skip just to talk and to see how they were each doing. His last call being the end of last week. Harem and Skip were Penn State fans and when the game was at half time, Harem would call and ask “what do you think” and discuss the game thus far. Their friendship began when Skip went to Esther’s Restaurant for coffee and Skip’s brother-in-law Bruce and Harem went there too. He was a good friend and he truly will be missed. We will keep you Connie and family in our prayers. May God surround you with His loving arms and give you comfort and peace. We wish you the best and remember, we are here for you especially during this difficult time. With sympathy, Skip (Bob) and Dolly(Darlene)
