“ My heart breaks for the family with the passing of such a loving and caring woman. It didn't take long for Irene to feel like family to so many of us at Kindred Place. Not only by the staff but all the friends she made while with us. I will greatly miss her smile and soft spoken words. She never failed to brighten my day. Her love of God shined brightly and her family meant the world to her. Candie you are an amazing daughter in law and Irene often mentioned how blessed she was to have you there for her. We all saw how much you loved and cared for your mother in law and I just wanted you to know that. I pray that God's love and promises of being reunited in heaven one day with our loved ones comforts all of you. Please know that the Kindred family is there for you and please come see us when you can. And Irene you've earned your heavenly rewards and till we meet again rest easy my dear friend.

Jenny, thank you for the kind words. You all at Kindred Place were so kind, understanding and loving towards my mother. We were so pleased that Mom had such a nice place to live. May God bless you all for the work that you do.
