“ Jackie was a classmate at Conrad Weiser. She was always smiley, made you feel welcome and comfortable in her presence, shared a love of country music and seemed to truly enjoy life. Sending hugs and prayers to her family near and far.

“ *She was such a beautiful person inside and out!
My heart is hurting for her family and friends!
I remember her beautiful smile and positive attitude!
She will be missed by many.
Just knowing that she received her wings brings some comfort and
peace.*

“ *Jackie was a wonderful lady full of life. We will miss her at the
reunions, seeing her smile. But we know the Lord was ready to take
her away from her pain, she is no longer suffering. May the Lord
comfort the family through this difficult time.*
