“ To Jain's Family, I worked with Jain at FMC Corporation many years ago, she was such a wonderful person and the best boss I ever had. When my husband and I bought our first home in 1976 Jain had given us a beautiful angel ornament which is place in a special location on our tree every year. It was such an honor to know Jain, she was such a special lady. Jain will be in my thoughts and prayers. Sincerely, Maureen Speakman
