“ I miss:

The 1980's when we belonged to a 4-wheel drive club with my brother Mike and Jim's brother Bob. These remain some of the best times in my life. No drama, no cares and no pain.

I miss:

The days that I would go to the garage and see my old friend and reminisce of the 1980's and laugh about our youth.

My heart goes out to Bob, Jana, Matthew and Darlene.

Jim left an imprint on many souls and will be missed.

“ I ran a 5K (First and Only) back in 1998. I was struggling to complete it, when Jim...who had already finished the race, ran back in to where I was and jogged with me to the finish line. Along the way he offered words of encouragement. That's the kind of guy he was! Many prayers to the family! He'll be missed.
