“ My prayers go out to Meghan and Jennifer. Your dad always talked about the both of you and loved you both very much. Spank and I go way back we were the 1-2 punch at the water department and went thru a lot together but always had each others back. We had a lot of fun together over the years. He loved to talk and it was always hard to get a word in. I have not seen much of Spank the last couple of years when I retired but he was never forgotten. Rest in peace my friend you will never be forgotten. When it rains and stops I will know you fixed another leak!! Lou Zeck
