“ I will miss you James Patches and you will always be in my heart. You always made us and I remember all the good times that we had. And when you and Tom watch wrestling and have some drinks and you would say here come super fly. And when Marissa was born you could make her laugh, you could make us all laugh. So you will be missed so much and loved. You was the best brother in law anyone could have, you earn your wings so you go fly high my brother in law.

“ I have so many memories of jimmy, we worked together at the lebanon rescue mission in the 70s when at that time I lived with my Aunt Margie & Uncle Dave. Years later after I got out of the service we got together again. We had a lot of great memories together. Jimmy will be sadly missed.
