“ So sorry for your loss! Your family is in my thoughts and prayers. I met him from caring for his mother in law and knew him only for a very short time, but he could easily tell he was full of life and very loved.

Remembering you fondly with the many memories from Jay Street. You, Rick , Gaye and I walked many many miles. You were always such a character. In later years when we would run into each other you always treated me with respect. You were a good man Cam Thomas, glad our paths crossed. Deepest of condolences to Fran, AJ and your extended family. Your loss is profound but without a doubt Cam left you all with never ending memories. May they offer you all some comfort.
