“ *My deepest condolences to the Zimmerman family at this very difficult time. Jimmy was a great guy who I got to know as a lineman who worked with my father. Jimmy and I also played softball together and against each other and he was a fierce competitor and always gave 100%. He and I both shared a sense of humor and shared many belly laughs together. I will hold many great memories of Jimmy. Know that he is in a better place now, and let the fact that you will see him again, be your condolence!*
