“ *I have many memories of long talks in the driveway as she would sit in her vehicle and I would stand at her window if it was difficult for her to get out of the vehicle, sitting in her living room talkin as friends do. Rick and I giving her a helping hand when needed. The most prominent memory I have of Jan is when she pulled in my driveway with her black classic car grinning ear-to-ear. 😎💕 she was so tickled to have it out and driving it!*

“ I got to know Jan and her mother Elizabeth when I worked at Jonestown Food Market. They both shopped there weekly. Jan always had a smile to greet you and never an unkind or negative word. I looked forward to Christmas and Easter time when they brought their clear toy candies to sell. My sincere condolences for her family on their loss and my thoughts and prayers for comfort,, I know she will be sorely missed!!
