“ To Jane’s family especially Nichelle, Angela, Priscilla and Tiera. Kristina and I were honored to share so many happy times with your Mom over the years as well as a few sad ones. She was so strong and pressed on no matter what happened. The last few years at our “new” barn I had the pleasure of riding with her as often as we could and then walking when the horses decided it was time for us to do that. She was always happy at the barn with the horses. We both decided there must be horses in Heaven! I will miss her dearly! ❤️
