“ I remember Janet during the US bicentennial in Lebanon. Janet made beautiful bicentennial costumes for herself and her family. As a family they sang patriotic songs to entertain several groups in the area.

“Truly, truly, I say to you, the one who hears My word, and believes Him who sent Me, has eternal life, and does not come into judgment, but has passed out of death into life.” John 5:24

My Nana was not only a true beauty inside and out, her love for the Lord shined through her fruits of the spirit. Sleepovers were some of the best memories with her and my PopPop! Not only could my brother Daniel and I stay up late, but she always made sure to read scripture to us, also lots of books, give us yummy snacks, and she was thee best listener. She had an inner peace that can only come from having a relationship with Jesus Christ our Lord and savior. She had many gifts and talents, including singing, sewing, playing autoharp, cooking, and gardening. We don't say goodbye, we say see you later! I know you're in heaven hanging out with PopPop, my Grandpa, and Cocoa! I'm sure Cocoa is still up there yipping, too! Prayers to all of our family during this time! Although her memory was taken from her these last few years- up until the beginning of this year, if you played a song she loved- she still sang and remembered the words! Thank you, Nana, for sharing your love of music with me. Thank you for presenting piano lessons in a positive light and encouraging me to push on with them when I was little. Just thank you for being the beautiful soul that you are. Can't wait to see you again one day! Endless parties to glorify our Lord with you! Love always- Alecia
