“ My deepest sympathies to all of the Umbergers. I met Jason many years ago when he attended our church's youth group with his cousin, Andy Brummer. I enjoyed his enthusiasm and sense of humor. I am saddened at the news of his passing. I'm sure he will be missed terribly by all of his family.

With prayers and blessings.

“ I just found out about this and I give my deepest sympathies to the Umberger family. Jason, I loved you very much and you were so very loved and admired by many, not just family and friends but others as well. You are such an amazing human being and I am privileged to call you my friend. You were my first love and I will never forget you. I pray that you will find peace and happiness in Heaven. You will never be forgotten.
