“ Tootie you are missed ans I never thought I would say this but it's very quiet and lonely without your company. I can't list just one memory cause we spent most of the past 13 years together, so most of my big memories your right there with me. I really wish you weren't gone cause we had so much more to share, but I know you will be right by our side with Nan and Harv making sure everything in our lives go alright. We love you and miss you.
