“ Jeanne Marie, It's only been a day and I miss you so much! Went into your room this morning to say my usual Good Morning and then realized you were not there. I did the same thing this afternoon. We had a lot of good times talking about various things! Two weeks ago you said to me " no matter what I will always be with you". I have to say that you are a very special lady and you have touched my heart in many ways! I am very grateful that I got a chance to meet you and care for you. You have an amazing family! Marie, Jimmy, and Billy you all are amazing and I thank you from the bottom of my heart for letting me into your wonderful family! Jean Marie, I will miss you every day and I Love you.
