“ Geraldine, Kelly, Megan, and family, we are so sorry for your loss. Jerry was a good man. I have so many fond memories of him when I would visit the shop when my mom worked there. I bought several cars from him too. He was also a very kind man and would help anyone whenever he could. The one memory that really stands out to me was when Jodi A. and I drove up to NYC for the weekend to visit some friends and my car broke down. Jerry drove up with the flatbed and brought us and the car back home to Pine Grove! Not many people would do that! We'll miss you Jerry! RIP

“ My first job was working in his garage. Since then, he had helped me out many, many times from repairing a car without notice to giving advice about problems to chatting about politics. I'll miss his caring smile and the nonchalant "yep" with a small nod of his head.
