“ *The only good thing about dialysis is the people you meet there..there were 4 women aka the sewing club..that really cared about each other..LaRoo. Brenda. JoAnn and myself. We laughed, we cried, we solved. 1/2 the worlds problems, (we left the other 1/2 to you) and looked forward to when we saw each other again . We knew Brenda got there about 5:45 am, then JoAnn at 5:50am then me at 5:55am then LaRoo pushing in at 6:00. We all waited for the others to follow in a bit later. We so enjoyed that time together and life will not be the same without our dear friend. We thank you Jon for always taking care of her to make sure she got inside and you never looked better when you carried her purse!
But, we knew how good you were to her! We will see her in heaven and as for now..we feel blessed to have been her friends. Kathy Wolters*
