“ You will be missed, Uncle Jack. I always loved our summer picnics and our Christmas eves. I will never forget the "above- ground pool" in your back yard for Kristin when she was young. I believe it was your ice chest that she sat and splashed in! I will cherish the memories.....
Love you always, Joyce

“ Well now you will be getting one step closer to JoePa. Always a kid at heart at least with my XMAS toys. Taught me how to put toy military models together & paint them so meticulously. Finally, I learned how to be a kidder & jokester from him. He loved his 2 grandsons.
Love, your nephew Tom.
