“ It was always a pleasure talking to JK at IV HD. He always sought the answers to questions I had about my CVO Road Glide. Our conversations were not always about MC's, but he enjoyed all topics. I am sorry I missed the news of his passing and I will truly miss his presence at the dealership. May the Lord watch over his family and friends.

“ JJ was always great to be around. When my son Paul who was their detailer up at Iron Valley. I always got a kick out of him whenever I'd come in and he always had some kind of things to laugh and smile and joke about but if you know JJ that was him you'll be missed so much bro but now there's no pain anymore and our Lord and savior has taking you back home. Ride on the wind, forever in our memories. Our prayers and thoughts for his family during the time of grieving and we're sorry for your loss.
