“ *Life is good when we get to cherish the memories of one so kind. John was truly a pleasure to work with at SHA. He had a pleasant smile, a calm spirit and he would always be there to listen and just chat with you. I know that he was a man that loved the Lord and for that...what more could you ask for. May God in His infinite wisdom continue to bless and keep you as you cherish his memories.*

“ *I have known John since 1974, I remember a man who was a great engineer, attentive to detail, easy to work with and even easier to like. He possessed a quick wit and an amazing sense of humor. I send my condolences to his family and all who knew John, we will all miss him.*
