“ John, I just thought about you the other day and was wondering how you were doing. How strange that was and then today I hear this terrible news. I always loved our conversations. You were so funny and so sweet. I miss you and promise to never forget you. I'm sorry I didn't have the chance to say goodbye. You were my first friend at work. Thank you for being a beautiful person inside and out. Your memory will always be in my heart. Rest In Peace dear friend. I'll see you on the other side one day. I hear it's magical there, I hope you're enjoying it. Much love ❤️
