“ I shared good conversations-and his sense of humor!-with John in Trig class during our Junior year at Annville-Cleona High School. Apparently, we weren't listening to the lesson...me-because I had NO understanding of Trig-and John didn't have to listen because he did understand! May the Witmer family find Peace in knowing they will continue to live with John in the Spirit.

“ On behalf of the A-C Alumni Association, I am extending deepest sympathy to John's wife and family on their loss. Although I did not know John, I was a classmate of his late sister, Joan. I am sure John's memory will live on in the hearts and minds of all who knew him.

“ I am very sorry to hear that we lost John and my thoughts and prayers go out to his family. As a high school classmate, John and I created many memories playing basketball, throwing eggs, playing pranks and just enjoying our school years together. We always had a good time sharing memories at our high school reunions including discussing how fortunate he was to survive 2 major car accidents within days of each other. I certainly will miss John as he was a good man and a good friend and I have comfort in knowing he is in good hands with our Lord and Savior Jesus Christ.
