“ To his family: With deepest remorse I wish 2 extend my condolences, as the extent of your pain and loss weighs heavily upon my heart! The waves of pain this loss has caused are felt by many, but none as deeply felt as the ones that envelope your family. I wish I could ease the pain. Since I can't, I Pray that u find peace and comfort. To Everyone that knew Joe: I wish 2 extend my condolences 2 every1 that lost such an irreplaceable part of their lives. My heart hurts for his family and others that were nearer & dearer 2 him than I had the opportunity 2 b, but I am thankful for having met Joe and been given the opportunity 2 call him my friend! I am regretful that I didn't make better use of the short time that my life was enriched by his presence and will definitely miss all the things we'll never get 2 do. There are no words 2 properly describe the gaping hole that now fills his place! My Prayer for every1 affected by this tragedy is for strength, and for peace & comfort. He is already missed, and forever will be, and tho his body no longer lives, and is already in the ground, he is still very much alive and always will be in each and every one of our hearts and memories throughout the rest of our days!
