“ *Denise and family, My deepest condolences on the passing of Josh. May you find comfort in your beautiful memories. In sympathy, Lisa (Enck) Strohm and family*

“ Oh, brother Josh. Will never forget the days and nights we spent making music together in my late teens and early twenties. The long drives to play shows, recording together, just enjoying our youth and the music and the friendship. Those were some of the best moments of my life, and I think back on them with a thick sense of nostalgia. Know that I will miss you forever until the day we meet again.

*"Until I awake,
We just hope that you have made it.
We hope that you're celebrating
With the people you've misses.
And burning like a beacon,
Guiding our ship around this hellish shoal:
I'm happy to admit that maybe I am
A little depressed,
'Cause I'm missing you to death.*

“ Joshua. One of the nicest young man I ever met years ago when he did some yardwork for me. His parents taught him well. I will never forget him .May he rest in peace.

“ George - my heart breaks for you and your family. We'd speak often at work about our sons, both Josh's, and their struggles and successes. It's so hard knowing that we've lost them both. I am aware of the pain this causes and how unfair it seems. I'm so sorry that your family is faced with this sorrow.

Denise, my heart is hurting. Lost my Doug 1995. Thinking of your Max 1 year old. Doug's Tyler was 7 months when he passed. I'll be praying for all of you. The sadness doesn't end but we keep going.
