“ Josh was a good hearted, caring, fun friend. We lost touch after high School, but never forgot his kindness towards me. He knew what to do and say to lift spirits and make people laugh. My deepest condolences go out to his family, loved ones and all who were blessed to know him. Mine and my families prayers are with you all.

“ Josh was a special friend of my son Kyle. He soon became a friend of our family as we got to know him. I remember him as a wonderful young man with the world ahead of him. He was smart, polite and had a great sense of humor. Maybe I would of never crossed his path again but I will always have the memory of this special individual. We have all lost a great friend.
