Her position at Met-Ed was transferred to Three Mile Island on March 27, 1979, one day after the infamous TMI accident. “ Indeed, she was a wonderful woman! She was part of my life, seemingly forever! From before I was born, she was friends of my family. Later, I became good friends with her late son, Roger, spending much time in their lovely home on S. 11th St. With her and Jim. My father ultimately became her chauffeur to courier her to IGMR to her switchboard duties. Ironically, we became co-workers at Met-Ed for many years! She was always pleasant and very personable to know and be associated with in all facets of my life- always a pretty smile and warm greeting to all she met! She was special and sadly will be missed by all! Condolences to her family!
