“ *RIP Mom! I am so glad that you are flying free as a bird and you are no longer suffering on this earth! I hope you are visiting with all that have gone before us. I hope you are dancing in the clouds, the flowers, the waters, and enjoying your new restored body and soul, all free from pain. I know you are watching down on us both and smiling at us right now. I love you and miss you the way you used to be, healthy and happy and free of pain. Please tell Fluffy, Salem, Tiger, Tiggie and Midnight, our precious fur babies, that we said hello and we miss them too! I hope you are having a ball with all of them right now!* ”

Cathy, condolences and prayers to you and your family. I remember the summer your mom Joyce spent with us (Trouts) helping take care of my mom and us kids. We had a great time. We visited the Lutz house many times growing up. Cousin Carolyn Trout Benish
