“ I have so many wonderful memories of time spent with Aunt Joyce. Some early memories come to mind of the summers we spent together with your family at Lake Wallenpaupak. At the lake, Aunt Joyce prepared us lots of fun meals such as stromboli, pizza burgers, Chef Boyardee pizza kits, and cheesesteaks! I clearly remember the time she brought up the old-fashioned, hand-crank ice cream maker so she could make homemade ice cream for the kids. We all know that Aunt Joyce was amazing seamstress - she created a beautiful white eyelet gown for me to wear to my eighth grade graduation. I still cherish a Christmas quilt she gave to me. Aunt Joyce was always up for an adventure- one time I was visiting Florida and had an extra ticket to see Bruce Springsteen, and she was happy to hang out with me and come along to see the concert. On another occasion, we took a bus to NYC to see a talk show being filmed! I am so grateful for the time I spent with Aunt Joyce over the years and I will hold these memories close to my heart. ❤️ -

“ She was my big sister and she loved playing with me. We grew up in a loving family. She will always be in my heart with thousands of wonderful memories for time together and lots of phone calls. She was a great quilter. I open the quilting door for her. She made beautiful quilts and gave most of them away. She had a loving heart. She was called Joyce but to me she was Faustine and will always be Faustine. I will miss her, Love, Shirley.
