“ I'll never forget my aunt judy's generosity towards me. I'll carry every memory she's given me and my family extremely close to my heart. She was as genuine as they come and never had anything bad to say about anybody. I love and think about you on a daily basis and am extremely lucky to have seen my aunt and my family all together before she passed. Both her and debbie will always stay close to me and our family throughout eternity. I'll miss you, i love you, and thank you for everything you've done to make my life better. Looking forward to seeing you in heaven someday
