“ Judy was my mom's (Cathy) roommate at LVH. Judy was a wonderful roommate and we could always depend on Judy to get the real scoop with my mom. Judy was funny, smart, personable and was always trying to help. We are truly sorry to hear of your families loss and know that Judy always brightened up our days when we visited our mom. I know she will be missed and we were blessed to have her in our life over the past several months. Love and blessings to all of you. Now Judy and Cathy can be roommates up in Heaven with Jesus.

“ *Judy always was such a caring, loving person, though less for her and more of everyone else.*

Don and Judy are together again. I loved them both.

Thank God I've had them in my life.
