“ My Aunt June, June was so much a part of our families life. From the time I was a little girl ,right up to now. I remember the help she was to us as children when our mother was not well. The fun times we had visiting her family on the farm. Her freezer always had special treats in it ,and she was always baking goodies. She always came with a beautifully decorated birthday cake every year for us to celebrate our mothers birthday. It was an era ,when families spent time visiting. After Dennis and I married ,the visits to our home the Kettering's made were so much fun. Hunting season was a special time for all of us. The men would hunt ,while June and our children would do crafting and baking and cooking hot meals for the men. My recipe box has recipes from Aunt June. She taught our daughter, Marcy ,in Sunday school. And then there is the Aunt June Shuffle dance she would do to make the children laugh. My heart is full of love for her. Heaven has a very special lady. Thankful she has her wish to be with Harold again.
